

Resilient Sustainable Agriculture

Enhancing Farmer's Skills and Knowledge

Flood Recovery Information sessions

Agricultural recovery drop-in sessions are being held for flood affected farmers. Specialists will be available to help with recovery needs and discuss recovery support services available.

**Euroa Showgrounds, Meeting Room,
16 Frost Street**
Date: Friday 18th November 2022
Time: 12 - 2 pm – Light lunch
provided

PRESENTERS:

Agriculture Victoria (veterinarian, livestock and land management staff), GBCMA, Landcare, AgBiz Assist, and local industry providers.

TOPICS TO BE DISCUSSED

- Animal health
- Livestock nutrition, fodder, and pasture
- Erosion recovery, farm water and dams
- Impact on waterways
- Recovery grants and wellbeing support.

REGISTRATION:

Register for the event by calling 0418 140 710 / landcare2@iinet.net.au or scan the QR code or use the link <https://bit.ly/3O8jnot>

If you are unwell or, awaiting results of a COVID test, please do not attend on the day and give Kerri (0418 140 710) a call.
