## Wild Deer Management with Paul Boag

South West Goulburn Landcare hosts Paul Boag of Paul Boags Outdoors. Paul is known for his deer hunting courses, management programs and pest management business and has been hunting deer for the past 30 years.

Topics covered include:

- Deer Identification
  - Deer sign
- A basic understanding of deer and their behaviour
  - Control methods
- Deer management plans & how best to implement them
  - Processing or utilising deer after harvesting them
  - Plus answering questions on the day
