INNOVATIONS IN SOIL SCIENCE

A Soil Science event open to all farmers
and landholders

This is a great opportunity to engage and ask questions with the Soil Science Australia team and other soil professionals on site at a soil pit.

Topics:

- Soil profile descriptions
- Management considerations
- Understanding landscape process
- Practical session in soil texturing, pH, stability, structure and identifying soil constraints and soil layers/horizons

Date: Friday 9th June, 2023

Time: 1pm to 3pm

**Location: Gate to the paddock is at
647 Creightons Creek Road, Creightons
Creek (look out for Landcare signage)**

Please wear appropriate footwear and clothing for outdoors

Cost: Free

Register at: <https://tinyurl.com/d9wpm2we>

Please RSVP by Friday 2nd June, bookings essential
For enquiries please contact Kerri Robson: 0418 140 710
