

**Swanpool
Landcare**

Enhancing Farm Dams Field Day & Swanpool Landcare AGM

**Everyone is welcome at this free event
hosted by the Swanpool Landcare Group.**

Join Sustainable Farms to learn about the latest research into the benefits of enhancing farm dams.

The field day will include:

*Visiting a farm dam on the property of Ian and Pam Herbert to hear about the enhancement works they have done

*The latest scientific research on farms dams by The Australian National University Sustainable Farms team and the multiple benefits of enhancing farm dams for biodiversity and production

*Practical advice on ways to enhance farm dams

*How to get started planning and implementing similar projects on your own property

The field day will include lunch be followed by a short Swanpool Landcare Annual General Meeting.

**Saturday 23rd
September**
