

# LESSONS FROM FARM FORESTRY

WITH ROWAN REID

## GECKO CLAN LANDCARE AGM

You're invited to the Annual General Meeting of the Gecko Clan Landcare Network.

The evening will commence with a light supper and the AGM, followed by guest speaker Rowan Reid.

Rowan has over 40 years experience in Farm Forestry. Hear about the lessons from early Agroforestry plantations and how new opportunities allow for diversification of farm income.

---

**Date:** Thursday 21 November 2024

**Time:** 6.15pm start, with light supper

**Where:** Violet Town Community Centre,  
Cowslip St, EUROA

**Cost:** Free

---

Book online via the QR code, or visit:

<https://tinyurl.com/ms8prtjd>

For phone booking and enquiries, text or call Kerri Robson:  
0418 140 710

This program/project received funding from the Australian Government's Future Drought Fund.

### ABOUT THE PRESENTER: ROWAN REID

Rowan Reid runs the Bambra Agroforestry Farm in the Otway ranges in South-West Victoria.

He is the Managing Director of the non-profit Australian Agroforestry Foundation, through which more than 2000 Australian landholders have completed his award-winning Australian Master TreeGrower course.

An industry expert, Rowan has been lecturing at University of Melbourne for 25 years on Agroforestry and Farm Trees.

Rowan is the author of *Heartwood: The art and science of growing trees for conservation and profit.*
